

Don't Give Up! Text och musik: Jessica Falk

Don't panic you are not all alone.
I'm here to help you out. Pick up the phone.
You don't need to feel loneliness.
But I know there's lot of emptiness.

Don't give up. You just have to stand and fight.
If you do it. You're gonna see I'm right.
I know you're in a "danger zone"
The disease in your body is not unknown.

CHORUS

Stop! Don't give up!
You mean too much to me. Don't go away!
Stop! Don't give up!
You're too young to die. There's lots of things I wanna say.

Doctor,doctor. Please help my friend to survive.
He's young, has a child. He needs to be alive.
How could this happen without a warning?
He looked so healthy when he left this morning!

You are always on my mind - day and night.
Hope is all we've got. But you need to fight.
I pray to God that He's here with you.
Please tell if there's anything else I can do!

CHORUS

Stop! Don't give up!
You mean too much to me. Don't go away!
Stop! Don't give up!
You're too young to die. There's lots of things I wanna say.

Can you feel the calm around you? You will never be alone

CHORUS

Stop! Don't give up!
You mean too much to me. Don't go away!
Stop! Don't give up!
Together we must fight! It's gonna be alright!

Stop! Don't Give Up!
