

Give Me A Sign
(Jessica Falk)

Give me a sign, please give me a sign!
As I'm standing here.
Sometimes it's hard to believe,
that you're next to me.

Please, lead me, guide me.
Which way I should go.
I've opened my heart.
And I'm listening to you.

CHORUS

Take me to heaven, like the angel in my dream.
With wings I fly away - freedom is the key.

Now I'm listening to my heart
I'm moving on.
But I'm standing strong.
My heart is wide open and my soul is feeling free.

CHORUS

Take me to heaven, like the angel in my dream.
With wings I fly away - freedom is the key.

Take me to heaven, like the angel in my dream.
With wings I fly away - and now my soul is free!
