

**I've Had Enough**  
**(Jessica Falk/Stephen Haughey)**

Only the angels above, know what tomorrow brings.  
They keep it as a secret until it's time to know.  
And if the dark clouds come, the angels are there - close to you.  
You just feel and know what to do.

I was too blind to see, behind the smiling faces  
the poison in their hearts and the mendacity  
I was there too long, with these crazy people  
Too long to see what was happening around me

I wonder why it took so long for me to see  
I must have been blind - too blind to see

Chorus

Is this fair? Is this right? I've had enough!  
I can scream! But I just can't fight! I've had enough!

They're too blind to see what life's all 'bout  
This place on earth - it feels like I'm in hell!  
Only the angels above know what tomorrow brings.  
But now I follow my heart it just can't be wrong

I feel sorrow in my heart (but it's) for those empty shells  
Who can not hear the music of the angels bells

Chorus

Is this fair? Is this right? I've had enough!  
I can scream! But I just can't fight! I've had enough!

It made me scream and I didn't fight, I just went along!  
But it wasn't fair and now I'm standing strong and I'm moving on!  
It wasn't fair! I'm movin' on.  
It wasn't fair! I'm movin' on!
