

JUST DO IT!

(Jessica Falk/Scott Bagget)

Age is just a number as long as your groovin'
Just like a river, you've got to keep moving
I can't slow down, can't stop singing
Ready to face whatever life's bringing
I may grow old but I'll never grow up
Someday I'll give out but I'll never give up, ooh.

Kick off your shoes, dance on the table
Got to keep rockin' just long as you're able
Time to stop talking and get down to it
Life is for the living so, Just Do It!

Everybody tells me, that I'm acting crazy
Maybe their jealous, maybe their lazy
No time to cry, no time for sorrow
Goodbye yesterday, hello tomorrow
I may grow old but I'll never grow up
Someday I'll give out but I'll never give up, ooh

Chorus

Kick off your shoes, dance on the table
Got to keep rockin' just long as you're able
Time to stop talking and get down to it
Life is for the living so, Just Do It!

Clap your hands, stomp your feet.
Give a smile to everybody you meet

Kick off your shoes, dance on the table
Got to keep rockin' just long as you're able
Time to stop talking and get down to it
Life is for the living so....

Kick off your shoes, dance on the table
Got to keep rocking' just long as you're able
Time to stop talking and get down to it
Life is for the living so, Just Do It!
Just Do It!
Just Do It!
