

SITTING ON TOP OF THE WORLD 3.26
(Jessica Falk/Scott Bagget)

I wanna have some fun
I want to laugh and joke and smile
Soaking up the sun
And taking it easy for a while

I've waited winterlong
To sing this summer song
And nothing can stop me now uhn uhn uhn

I know I'm such a lucky girl
Sitting on top of the world

I wanna hear that groove
It's time to turn the band up loud
So that I can dance
It sends me floating on a cloud

Cause when I feel that beat
I just can't stop my feet
And nothing can bring me down uhn uhn uhn

I know I'm such a lucky girl
Sitting on top of the world

I've had my share of ups and downs
And I have learned that life
Is a long and winding road
Taking the bad with the good
There may be rain there may be pain
But as long as I have love there's one thing that I know

I'm gonna rock
I'm going to write a brand new song
I'll sing it for you
If you promise to sing along

We may be out of key
But that don't matter to me
Cause nothing can keep us down uhn uhn uhn

I know I'm such a lucky girl

Sitting on top of the world

You could say I'm a thankful girl
Sitting on top of the world
