

My Lovely Angel
(Jessica Falk)

Hey Baby - You're the one who really knows me.
You're the one who has my true love.
I think you're the One for me.

I remember - ooh, that first day when I met you.
When I looked into your eyes.
That was love at first sight.

CHORUS

On and on and on and on I looked deep in your eyes
On and on and on and on I wondered who you were.
Yours are the sweetest eyes, so pure and so delightful.
You gave new [life](#) to me. You really made me see.

[Darling](#), I'm so happy that I've got you
I didn't know that love could be so deep.
This love has changed my heart.

You're my daughter, you're so fine - my lovely angel!
You've got the power, have the strength
You're so precious and so strong.

CHORUS

On and on and on and on - just let your spirit fly.
On and on and on and on - Don't think, don't wonder why.
Just go with the flow. The future's in the air.
You know where to go - I'm here to [watch](#) the [show](#).

Just go with the flow your future's in the air.
You know where to go. I'm here to watch the show
