

JESSICA FALK - "LITTLE LOVE", release October 30

Swedish singer/songwriter Jessica Falk and Nashville based singer/songwriter Jenn Bostic originally met in a very special and unique way. You see, the girls both do a bit of the same thing. They both write songs and tell their respective stories in the lyrics of their songs with the goal of helping other people. Jenn is best known for her song "Jealous Of the Angels" which reached # 1 in the United Kingdom's "Singer-Songwriter" charts. Jessica happened to be attending a concert in Nashville where Jenn was appearing at the Grand Ole Opry. Afterwards Jessica, who was very impressed by Jenn's music, wrote to her to ask if she would like to try writing some songs together. This collaboration resulted in Jessica's previous single "Make a Change" and her latest single "Little Love" which is due to be released on Friday, October 30.
